Im confessin that I love you . . .  
Tell me, do you love me too?  
Im confessin that I need you,  
Honest I do, need you every moment!  
In your eyes I read such strange things,  
But your lips deny theyre true . . .  
Will your answer really change things,  
Making me blue?  
Im afraid someday youll leave me,  
Sayn cant we still be friends?  
If you go, you know youll grieve me,  
All in life on you depends . . .  
Am I guessin that you love me?  
Dreamin dreams of you in vain,  
Im confessin that I love you,  
Over again!  
Im afraid someday youll leave me,  
Sayn cant we still be friends?  
If you go, you know youll grieve me,  
All in life on you depends . . .  
Am I guessin that you love me?  
Dreamin dreams of you in vain,  
Im confessin that I love you,  
Over again!
