Songwriters: Nelson, Willie;

This is Jimmy's road  
Where Jimmy liked to play  
This is Jimmy's grass  
Where Jimmy liked to lay around

This is Jimmy's tree  
Where Jimmy liked to climb  
But Jimmy went to war  
And something changed his mind

This is the battle ground  
Where Jimmy learned to kill  
Now Jimmy has a trade

And Jimmy knows it well too well

This is Jimmy's grave  
Where Jimmy's body lies  
When a soldier falls  
Jimmy's body dies and dies

Well this is Jimmy's road  
Where Jimmy likes to play  
This is Jimmy's grass  
Where Jimmy likes to lay around
