Well, I spent my whole lifetime  
In a world where the sunshine  
Finds excuses for not hangin' 'round

I squandered emotions  
On the slightest of notions  
And the first easy loving I found

But soon all of the good times  
The gay times and play times  
Like colors run together and fade  
Oh Lord, if you hear me  
Touch me and hold me  
And keep me from blowing away

There are times when I trembled  
When my mind remembered  
The days that just crumbled away

With nothing to show  
But these lines that I know  
Are beginning to show in my face

Oh Lord, if you're listening  
I know, I'm no Christian  
And I ain't got much coming to me  
So send down some sunshine  
And throw out your lifeline  
And keep me from blowing away

Oh Lord, if you hear me  
Touch me and hold me  
Keep me from blowing away
