I have seen the morning burning  
Golden on the mountain in the skies  
Aching with the feeling  
Of the freedom of an eagle when she flies

Turning on the world the way  
She smiled upon my soul as I lay dyin'  
Healing as the colors in the sunshine  
And the shadows of her eyes

Waking in the morning  
To the feeling of her fingers on my skin  
Wiping out the traces of the people  
And the places that I've been

Teaching me that yesterday  
Was something that I'd never thought of tryin'  
Talking of tomorrow and the money  
Love and time we have to spend

Loving her was easier  
Than anything I'll ever do again

Coming close together with a feeling  
That I've never known before in my time  
She ain't ashamed to be a woman  
Or afraid to be a friend

I don't know the answer to the easy way  
She opened every door in my mind  
But dreaming was as easy as believing  
It was never gonna end

And loving her was easier  
Than anything I'll ever do again

Coming close together with a feeling  
That I've never known before in my time  
She ain't ashamed to be a woman  
Or afraid to be a friend

I don't know the answer to the easy way

She opened every door in my mind  
Dreaming was as easy as believing  
It was never gonna end

And loving her was easier  
Than anything I'll ever do again  
Loving her was easier  
Than anything I'll ever do again
