That's my favorite part  
Rewind my life on  
When my world got dark  
And you turned my light on

I've watched it for hours again and again in my head, I  
did  
I see I was down on you more than I needed to be  
I'd say I'm sorry but then you'd think I'm lyin'

Maria, shut up and kiss me  
Stop shakin', stand up and hold me  
I bet you're gonna miss me  
You need me, believe me

Maria shut up and kiss me  
You're crazy and it turns me on and on  
The way you're carryin' on

And that's my favorite shirt  
You always had on  
Man, it sure looked good  
Every time you walked on

You're takin' the wind from me  
Every chance that you could, you're good  
Somethin' I can't explain  
You tell me lately I've changed  
If you feel better tell me why are you cryin'?

Maria, shut up and kiss me  
Stop shakin', stand up and hold me  
I bet you're gonna miss me  
You need me, believe me

Maria shut up and kiss me  
You're crazy and it turns me on and on  
The way you're carryin' on

Maria, maria can we talk it over instead?  
Let's call it even and leave it alone, come to bed  
Maria, stop leavin', your teasin' is beaten me down

Maria just calm down  
In these situations  
I've found it's best not to be proud  
And say that you're sorry

Maria, shut up and kiss me  
Stop shakin', stand up and hold me  
I bet you're gonna miss me  
You need me, believe me

Maria shut up and kiss me  
You're crazy and it turns me on and on  
You're crazy and it turns me on  
The way you're carryin' on

And it turns me on and on  
And it turns me on and on  
And it turns me on and on
