Counted the stars on the 4th of July  
Wishing we were rockets bursting in the sky  
Talking about redemption and leaving things behind  
As the sun sank west of the Mendocino county line

Scarce as Monday morning feeling washed away  
I orchestrated paradise couldn't make you stay  
You dance with the horses through the sands of time  
As the sun sinks west of the Mendocino county line

I have these pictures and I  
Keep these photographs to  
Remind me of a time  
These pictures and these photographs  
Let me know I'm doing fine  
I use to make you happy once upon a time  
But the sun sank west of the Mendocino county line

The two of us together felt nothing but right  
Feeling we're immortal every Friday night  
Lost in our convictions lips stained with wine  
As the sun sank west of the Mendocino county line

I have these pictures and I  
Keep these photographs to  
Remind me of a time  
These pictures and these photographs  
Let me know I'm doing fine  
I use to make you happy once upon a time  
But the sun sank west of the Mendocino county line

I don't talk to you too much these days  
I just thank the Lord, pictures don't fade  
I spent time with an Angel just passing through  
Now all that's left is this image of you

Counted the stars on the 4th of July  
Wishing we were rockets bursting in the sky  
Talking about redemption and leaving things behind

I have these pictures and I  
Keep these photographs to

Remind me of a time  
These pictures and these photographs  
Let me know I'm doing fine  
We use to be so happy once upon a time  
(Once upon a time)  
But the sun sank west of the Mendocino county line  
And the sun sank west of the Mendocino county line

Mendocino county line  
Mendocino county line  
Mendocino county line
