When the evenin' sun goes down

You will find me hangin' 'round

Oh, the night life, it ain't no good life

But it's my life

Many people just like me

Dreamin' of old used-to-be's

Oh, the night life, it ain't no good life

Ah, but it's my life

Listen to the blues that they're playin'
Listen what the blues are sayin'

Life is just another scene

In this old world of broken dreams

Oh, the night life, it ain't no good life

But it's my life

Oh, the night life ain't no good life

Oh, but it's my life

Yeah, it's my life
