"Ocean of Diamonds"

Some people drink champagne out under the stars
While others drink wine leaning over a bar
But all that I need dear to make me feel fine
Is to know that your love will forever be mine

I'd give an ocean of diamonds or a world filled with
flowers
To hold you closely for just a few hours
Hear you whisper softly that you love me too
Would change all the dark clouds to the bluest of blue

Well, I don't drink their champagne, I don't drink their
wine
So if you refuse me, my poor heart will pine
And I'll be so lonely till the day that I die
And as long as I live, dear, you'll still hear me cry

I'd give an ocean of diamonds or a world filled with
flowers
To hold you closely for just a few hours
Hear you whisper softly that you love me too
Would change all the dark clouds to the bluest of blue

Would change all the dark clouds to the bluest of blue
