At a time when the world seems to be spinnin'  
hopelessly out of control  
There's deceivers an' believers an' old in-betweeners  
That seem to have no place to go  
Well, it's the same old song, it's right an' it's wrong  
An' livin' is just somethin' that I do  
An' with no place to hide, I looked in your eyes  
An' I found myself in you

I looked to the stars, tried all of the bars  
An' I've nearly gone up in smoke  
Now my hand's on the wheel, I've something that's real  
An' I feel like I'm goin' home

An' in the shade of an oak down by the river  
Sit an' old man an' a boy  
Settin' sail, spinnin' tales an' fishin' for whales  
With a lady they both enjoy  
Well, it's the same damn tune, it's the man in the moon  
It's the way that I feel about you  
An' with no place to hide, I looked in your eyes  
An' I found myself in you

An' I looked to the stars, tried all of the bars  
An' I've nearly gone up in smoke  
Now my hand's on the wheel, I've something that's real  
An' I feel like I'm goin' home
