It was just a neighborhood dance
That's all that it was, oh, what it seemed to be
It was like a masquerade ball, with costumes and all
'Cause you were at the dance with me

It was just a ride on a train
That's all that it was, oh, what it seemed to be
It was like a trip to the stars through Venus and Mars
'Cause you were on the train with me

And when I kissed you, darlin'
It was more than just a thrill for me
It was the promise, darlin'
All the things that fate had will for me

It was just a wedding in June
That's all that it was, oh, what it seemed to be
It was like a royal affair with everyone there
'Cause you said, "Yes, I do" to me

It was just a wedding in June
That's all that it was, oh, what it seemed to be
It was like a royal affair with everyone there
'Cause you said, "Yes, I do" to me
