I've spent the lifetime making up my mind to be  
More than the measure of what I thought others could  
see  
Good luck and fast bucks they're too few and too far  
between  
There's catalog buyers and old five and dimers like me  
She stood beside me letting me know she would be  
Something to lean on if everything ran out on me  
Well fenced yards ain't hole cards and like is not ever  
will be  
The reason for rhymers and old five and dimers like  
me  
[ harmonica - guitar ]  
It's taking me so long now that I know I believe  
All that I do or say is all I ever will be

Too much ain't enough for old five and dimers like me  
Too far and too high and too deep ain't too much to  
see  
An old five and dimer is all I intended to be
