Once more with feeling, once more with feeling  
Won't you hold me till the night fades into day?  
Once more with feeling, once more with feeling  
Hold me close don't let this feeling go away

Sometimes myself runs back to you  
I just can't tell me what to do  
But I remember when all wrapped up tight within'  
The shelter of my arms you used to stay

Once more with feeling, once more with feeling  
Won't you hold me till the night fades into day?  
Once more with feeling, once more with feeling  
Hold me close don't let this feeling go away

Once more with feeling, once more with feeling  
Won't you hold me till the night fades into day?  
Once more with feeling, once more with feeling  
Hold me close don't let this feeling go away
