"Opportunity To Cry"

Just watch the sunrise on the other side of town
Once more I've waited and once more you've let me
down

This would be a perfect time for me to die
I'd like to take this opportunity to cry

You gave your word now I return it to you
With this suggestion as to what you can do
Just exchange the words I love you for goodbye
While I take this opportunity to cry

I'd like to see you but I'm afraid that I don't know wrong
from right
And if I saw you would I kiss you or wanna kill you out of
sight
It's been a long night so I think I'll go home and feed
my nightmares

They've been waiting all night long
They'll be the last ones to tell me goodbye
And they'll give me many opportunities to cry
They'll give me many opportunities to cry
