My oatmeal tastes just like confetti  
The coffee's too strong so forget it  
The toast is burning  
Well let it

There's just so much to do  
Since you've gone  
Too much to do all alone

My tie's lost  
I can't find the sweater  
There's the doorbell  
I hope that's your letter

My head aches  
I hope, I feel better

There's just so much to do  
Since you've gone  
Too much to do all alone

So much to do  
Since you've gone  
Too much to do all alone

And time, time rolls on  
Like a river and oh  
There's just so much to do  
And I just can't do without you

So much to do  
Since you've gone  
Too much to do all alone

And time, time rolls on  
Like a river and oh  
There's just so much to do  
And I just can't do without you
