Somebody pick up my pieces " I'm scattered
everywhere " And put
me back together " And put me way over there " Take
me out of
contention " I surrender my crown " So somebody pick
up my
pieces " It's just me comin' down
Well, I sure thought I had her " Lord, I know she had me
" What
I thought was heaven " Is just falling debris " Well, I
may not be
crazy " But I got one hell of a start " Somebody pick up
my pieces =
"

I think I'm fallin' apart
Don't follow my footsteps " Step over my trail " The
road is too

narrow " And your footing could fail " And the fall to the
bottom " Could tear you apart " And they'll be pickin' up
pieces

" Of you and your heart
Don't follow my footsteps " Step over my trail " The
road is too

narrow " And your footing could fail " And the fall to the
bottom " Could tear you apart " And they'll be pickin' up
pieces

" Of you and your heart
And they'll be pickin' up pieces of you and your heart
