Whenever we kiss, I worry and wonder
Your lips may be here but where is your heart
It's always like this, I worry and wonder
You're close to me here but where is your heart

It's a sad thing to realize
That you've a heart that never melts
When we kiss, do you close your eyes
Pretending that I'm someone else?
You must break the spell, this cloud that I'm under
So please, won't you tell, darling, where is your heart?

It's a sad thing to realize
That you've a heart that never melts
When we kiss, do you close your eyes
Pretending that I'm someone else?
You must break the spell, this cloud that I'm under
So please, won't you tell, darling, where is your heart?
