For you
There'll be no more cryin'
For you
The sun will be shinin'
And I feel that when I'm with you it's alright.
I know its right.

To you
I'll give the world.
To you
I'll never be cold.
'Cause I feel when I'm with yu its alright
I know its right

And the songbirds are singing
Like they know the score
And I love you , I love you , I Love you
Like never before

And I wish you all the love in the world.
But most of all I wish it for myself.

And the songbirds keep singing
Like they know the score
And I love , I love you, I love you
Like never before.

And I love you, I love you I love you
Like never before
