Can't go home if you're goin' by the mill
'Cause the bridge's washed out at the bottom of the hill
The Big Creek's up, Little Creek's level
Plow my corn with a double shovel

You gotta stay all night, stay a little longer
Dance all night, dance a little longer
Pull off your coat, throw it in the corner
Don't see why you don't stay a little longer

Now you ought to see my blue eyed Sally
Lives way down on Shinbone Alley
And the number on the gate and the number on the
door
Next house over is a grocery store

You gotta stay all night, stay a little longer
Dance all night, dance a little longer
Pull off your coat, throw it in the corner
Don't see why you don't stay a little longer

You gotta stay all night, stay a little longer
Dance all night, dance a little longer
And pull off your coat, throw it in the corner
Don't see why you don't stay a little longer

I said, "Stay all night stay a little longer"
I said, "Dance all night, dance a little longer"
I said, "Pull off your coat, throw it in the corner"
I don't see why you don't stay a little longer"

I said, "Stay all night stay a little longer"
Dance all night, dance a little longer
Pull off your coat, throw it in the corner
Don't see why you don't stay a little longer
Now I don't see why you don't stay a little longer"
