Still is still moving to me  
I swim like a fish in the sea all the time  
But if that's what it takes to be free I don't mind  
Still is still moving to me, still is still moving to me

And it's hard to explain how I feel  
It won't go in words but I know that it's real  
I can be moving or I can be still  
But still is still moving me, still is still moving to me

And it's hard to explain how I feel  
It won't go in words but I know that it's real  
I can be moving or I can be still  
But still is still moving me, still is still moving to me

And it's hard to explain how I feel  
It won't go in words but I know that it's real  
I can be moving or I can be still  
But still is still moving me, still is still moving to me

Still is still moving to me, still is still moving to me  
Still is still moving to me, still is still moving to me
