"Stormy Weather"

Don't know why there's no sun
Up in the sky, stormy weather
Since my gal and I ain't together
Keeps rainin' all the time

Life is bare gloom and misery
Everywhere, stormy weather
Just can't get my poorself together
I'm weary all the time, all the time

When she went away
The blues walked in and met me
And if she stays away
Old rocking chair will get me

And all I do is pray
The Lord above will let me walk
In the sun once more

Can't go on everything
I had is gone stormy weather
Since my gal and I ain't together
Keeps rainin' all the time
