Here we are  
Standing where the highways cross  
Here we are  
Sayin' goodbye

Just another love  
Lost in the great divide

Here we are  
Acting like two crazy kids  
We've come too far  
To ever see it end like this

Just another love  
Lost in the great divide

Remember how we used to dance together?  
Remember how I used to hold you tight?  
You asked me if I'd leave and I said never  
And that's still right

Summer sun  
No prettier than summer rain  
Summer gone  
Summer coming back again

Other loves  
Lost in the great divide

Remember how we used to dance together?  
Remember how I used to hold you tight?  
You asked me if I'd leave and I said never  
And that's still right

Summer sun  
No prettier than summer rain  
Summer gone  
Summer coming back again

Other loves  
Lost in the great divide

Other loves  
Lost in the great divide
