Well, they tell me of a pie in the sky  
Waiting for me when I die  
But, between the day you're born and when you die  
They never even seem to hear your cry

So as sure as the sun will shine  
I'm gonna get my share now of what's mine  
And then the harder they come  
The harder they'll fall, one and all  
The harder they come  
The harder they'll fall, one and all

Well, the officers are trying to keep me down  
Trying to drive me underground  
And they think that they have got the battle won  
I say, "Forgive them Lord, they know not what they've  
done"

'Cause as sure as the sun will shine  
I'm gonna get my share now of what's mine  
And then the harder they come  
The harder they'll fall, one and all  
And the harder they come  
The harder they'll fall, one and all

I keep on fighting for the things I want  
Though I know, that when you're dead you can't  
But I'd rather be a free man in my grave  
Than living as a puppet or a slave

So as sure as the sun will shine  
I'm gonna get my share now of what's mine  
And then the harder they come  
The harder they'll fall, one and all  
And the harder they come  
The harder they'll fall, one and all

And the harder they come  
The harder they'll fall, one and all
