I'll pretend I'm free from sorrow
And I make believe that wrong is right
Your wedding day will be tomorrow
But there ain't gonna be no teardrops tonight

And I'll believe that you still love me
When you wear your veil of white
But if you think that you're above me
There ain't gonna be no teardrops tonight

Why, oh, why should you desert me?
Are you doing this for spite?
And if you only wanna hurt me
There ain't gonna be no teardrops tonight

Shame, oh, shame for what you're doing
Are you doing this for spite?
You don't care whose life you ruin
But there ain't gonna be no teardrops tonight
And there'll be no teardrops tonight
