These are difficult times these are difficult times
Lord please give me a sign for these are difficult times
Remember the good times they're smaller in number
and easier to recall
Don't spend too much time on the bad times
Their staggering number will be heavy as lead on your
mind

Don't waste a moment unhappy invaluable moments
gone with the leakage of time
As we leave on our own separate journeys
Moving west with the sun to a place buried deep within
our minds
And remember the good times...

[dobro]

Remember the good times...
