I'm gonna lay my head
On that lonesome railroad line
And let the two nineteen
Satisfy my worried mind

Yeah, I'm goin' down to the river
I'm gonna take me a rockin' chair
Yeah, honey, if these blues don't get me
I'm gon' rock away from here

Well trouble in mind, I'm blue
But I won't be blue always
Because the sun is gonna shine
In my backdoor one of these days, yeah, look out

Trouble in mind, it's true
I've almost, almost lost my mind
Sometimes I feel like livin'
And sometimes I feel like dyin'

Yeah, trouble in mind, I'm blue
But I won't be blue always
Because the sun is gonna shine
In my backdoor some day, that's all
