You're not a dream, you're not an angel, you're a  
woman

I'm not a king, I'm a man, take my hand  
We'll make a space in the lives that we planned  
And here we'll stay until it's time for you to go

Yes, we're different, worlds apart, we're not the same  
We laughed and played at the stars like in a game  
You could have stayed outside my heart but in you  
came  
And here you'll stay until it's time for you to go

Don't ask why  
Don't ask how  
Don't ask forever  
Love me now

This love of mine had no beginning, it has no end  
I was an oak, now I'm a willow, now I can bend  
And though I'll never in my life see you again  
Still I'll stay until it's time for you to go

Don't ask why of me  
Don't ask how of me  
Don't ask forever of me  
Love me now

You're not a dream, you're not an angel, you're a  
woman  
I'm not a king, I'm a man, take my hand  
We'll make a space in the lives that we planned  
And here we'll stay until it's time for you to go
