[Verse 1]

Valentine
Won't you be my Valentine
And introduce your heart to mine
And be my Valentine

[Verse 2]

Summertime we could run and play like summertime
With storybooks and nursery rhymes
So be my Valentine

[Bridge]

Candy heart
If you could have a candy heart
You're the sweetest of all sweethearts
Won't you give your heart to me
Can't you see

[Verse 3]

I love you valentine
Won't you be my Valentine
And won't you share your space with mine
And be my Valentine

[Bridge]

Candy heart
If you could have a candy heart
You're the sweetest of all sweethearts
Won't you give your heart to mine
Can't you see

[Verse 4]

I love you valentine
Won't you be my valentine
And introduce your heart to mine
And be my valentine

Valentine
Valentine
And be my valentine
