"What A Wonderful World"

I see trees of green? red roses too
I see them bloom for me and you
And I think to myself, what a wonderful world

I see skies of blue and clouds of white
The bright blessed days? the dark sacred nights
And I think to myself, what a wonderful world

The colors of the rainbow? so pretty in the sky
Are also on the faces of people going by
I see friends shaking hands? saying? "How do you
do?"
They're really saying? 'I love you'

I hear babies crying, watch them grow
They'll learn much more? than I'll never know
And I think to myself? what a wonderful world
And I think to myself? what a wonderful world
