What now, my love
Now that you've left me
How can I live
Through another day
Watching my dreams
Turn into ashes
And my hopes
Into bits of clay
Once I could see
Once I could feel
Now I am numb
I've become unreal
I walk the night
Oh without a goal
Stripped of my heart
And my soul
What now, my love
Now that it's over
I feel the world
Closing in on me
Here come the stars
Tumbling around me
And there's the sky
Where the sea should be
What now, my love
Now that you're gone
I'd be a fool
To go on and on
No one would care
No one would cry
If I should live
If I should die
What now, my love
Now there is nothing
Only my last goodbye
Only my last...
My last goodbye
