What was it you wanted?
Tell me again so I'll know
What's happenin' in there?
What's goin' on in your show?
What was it you wanted?
Could you say it again?
I'll be back in a minute
You can get it together by then

What was it you wanted?
You can tell me, I'm back
We can start it all over
Get it back on the track
You got my attention
Go ahead, speak
What was it you wanted
When you were kissin' my cheek?

Was there somebody lookin'
When you gave me that kiss?
Someone there in the shadows?
Someone that I might have missed?
Is there somethin' you needed
Somethin' I don't understand
What was it you wanted?
Do I have it here in my hand?

Whatever you wanted
Slipped out of my mind
Would you remind me again
If you'd be so kind?
And has the record been breakin'
Did the needle just skip?
Is there somebody waitin'?
Was there a slip of the lip?

What was it you wanted?
I ain't keepin' score
Are you the same person
That was here before?
Is it somethin' important?
Maybe not

What was it you wanted?
Tell me again I forgot

Whatever you wanted
What could it be?
Did somebody tell you
That you could get it from me?
Is it somethin' that comes natural?
Is it easy to say?
Why do you want it?
Who are you anyway?

Is the scenery changin'?
Am I gettin' it wrong?
Is the whole thing goin' backwards?
Are they playin' our song?
Where were you when it started?
Do you want it for free?
What was it you wanted?
Are you talkin' to me?
