You could have your choice of guys in town (around)

Why are you pickin' on me?

Just snap your fingers an' they'll come around

Why are you pickin' on me?

I am well aware of this game you've learned

(To love me) Love 'em an' leave an' show no concern

An' tomorrow, you'll have other candles to burn

So why are you pickin' on me?

I am well aware of this game you've learned

(To love me) Love 'em an' leave an' show no concern

An' tomorrow, you'll have other candles to burn

So why are you pickin' on me?

Why are you pickin' on me?
