"Wind Beneath My Wings"

It must have been cold there in my shadow to never
have sunlight on your face
You've been content to let me shine you always walked
a step behind
I was the one with all the glory while you were the one
with all the strenght
Only a face without a name I never once heard you
complain
Did you ever know that you're my hero and everything
I'd like to be
I can fly higher than an eagle but you are the wind
beneath my wings
It might have appeared to go unnoticed I've got it all
here in my heart
I want you to know I know the truth I would be nothing
without you
Did you ever know...
You are the wind beneath my wings
