Would you lay with me
In a field of stone?
If my needs were strong
Would you lay with me?

Should my lips grow dry?
Would you wet them, dear?
In the midnight hour
Should my lips were dry

Would you go away
To another land
Walk a thousand miles
Through the burning sand?

Wipe the blood away
From my dying hand
If I give my love to you

Would you bathe with me
In the stream of life?
When the moon is full
Would you bathe with me?

Will you love me when
I'm down and out?
In my time of trials
Will you stand by me?

Would you go away
To another land?
Walk a thousand miles
Through the burning sand?

And wipe the blood away
From my dying hand
If I give my love to you

Would you lay with me
In a field of stone?
If my needs were strong
Would you lay with me?
