You give your hand to me
And then you say hello
And I can hardly speak
My heart is beating so
And anyone can tell
You think you know me well
But you don't know me
No you don't know the one
Who dresms of you at night
And longs to kiss your lips
And longs to hold you tight
To you I'm just a friend
That's all I've ever been
but, you don't know me
For I never knew the art of making love
Though my heart achee with love for you
Afraid and shy, I let my chance go by
The chance you might have loved me too
You give your hand to me
And then you say goodbye
I watch you walk away
Beside that lucky guy
To never, never know
The one who loves you so
No, you don't know me
For I never knew the art of making love
Though my heart ached with love for you
Afraid and shy, I let my chance go by
The chance you might have loved me too
You give your hand to me
And then you say goodbye
I watch you walk away
Beside that lucky guy
To never, never know
The one who loved you so
No, You don't know me
You dont know me
