Today, I stood across the street and watched you leave  
with him  
Right before my disbelieving eyes  
And when you saw me standing there, you turned away  
from me  
And you wouldn't cross the street to say goodbye

Once you said, you'd do 'most anything to keep our  
love  
You'd tear out your tongue before you'd tell me lies  
Once you said, you'd go to any lengths to be with me  
Today, you wouldn't cross the street to say goodbye

Today, I stood across the street and watched you leave  
with him  
Right before my disbelieving eyes  
And when you saw me standing there, you turned away  
from me  
And you wouldn't cross the street to say goodbye

Once you said, you'd do 'most anything to keep our  
love  
You'd tear out your tongue before you'd tell me lies  
Once you said, you'd crawl on hands and knees to be  
with me  
Today, you wouldn't cross the street to say goodbye
