You're not mine anymore but I'm still paying for
Just a note from you to say you've changed your mind
Now I know you say we're through but I'm still in love
with you
And it's my fault that you're not mine anymore

If you don't ever change your mind to take me back
again
I hope you meet someone that's true and fall in love
with him
Since the day you said we're through, I'm even more in
love with you
And it's my fault that you're not mine anymore

If you don't ever change your mind to take me back
again
I hope you meet someone that's true and fall in love
with him
Since the day you said we're through, I'm even more in
love with you
And it's my fault that you're not mine anymore
