May the Lord's shining grace be yours, love  
May the happiest face be yours, love  
May the last fingertips  
That touch these two lips  
As life from me slips be yours, love

May the fruit of my toil be yours, love  
May the food from my soil be yours love  
And from this moment on  
May a love that is strong  
And lives on and on be yours, love

May the sons that I raise be yours, love  
May the comforts that I praise be yours, love  
And if I ever get weak  
May the love words I speak  
And the arms that I seek be yours, love

May the Lord's shining grace be yours, love  
May the happiest face be yours, love  
May the last fingertips  
That touch these two lips  
As life from me slips be yours, love

May the Lord's shining grace be yours, love  
May the happiest face be yours, love
