Just watch the sunrise on the other side of town
Once more, I've waited and once more, once more,
you've let me down
This would be a perfect time for me to die
But I'd like to take this opportunity to cry

You gave your word now I return it to you
With this suggestion as to what you can do
Just exchange the words I love you for goodbye
While I take this opportunity to cry

I'd like to see you but I'm afraid
That I don't know wrong, I don't know wrong from right
And if I saw you would I kiss you, baby
Or wanna kill you, kill you out of sight, oh baby

Well, it's been a long night so I think I'll go home
And feed my nightmares, they've been waiting all night
long
They'll be the last ones to tell me, baby goodbye, oh
yeah
I'd like to take this opportunity to cry

And they'll give me many opportunities to cry
They'll give me many opportunities to cry
