Yeah, yeah, yeah, ah, ah, ah

Still is still movin' to me
I swim like a fish in the sea all the time
And if that's what it takes to be free, I don't mind
Still is still movin' to me, still is still movin' to me

And it's hard to explain how I feel
It won't go in words but I know that it's real
I can be movin' or I can be still
But still is still movin' to me, still is still movin' to me

And it's hard to explain how I feel
It won't go in words but I know that it's real
I can be movin' or I can be still is still movin' to me
Still is still movin' to me

Still is still movin' to me
And I swim like a fish in the sea all the time
But if that's what it takes to be free, I don't mind
For still is still movin' to me, still is still movin' to me

Oh, yeah, yeah, yeah
And it's hard to explain how I feel
It won't go in words but I know that it's real
I can be movin' or I can be still, still movin' to me

Still is still movin' to me
Still is still movin' to me
Still is still movin' to me
