Oh since my baby left me  
I've found new place to dwell  
Down at the end on a lonely street  
That Heartbreak Hotel

And I get so lonely baby  
I get so lonely baby  
I get so lonely, I could die

And although it's always crowded  
You still can find some room  
For broken hearted lovers  
To cry away their gloom

And I get so lonely baby  
I get so lonely baby  
I get so lonely, I could die

Well the bellhop's tears keep flowing  
The desk clerk's dressed in black  
They've been so long on a lonely street  
They'll never, never, never get back

I get so lonely baby  
I get so lonely baby  
I get so lonely, I could die

So if your baby leaves  
You got a tale to tell  
Just take a walk down lonely street  
To Heartbreak Hotel

I get so lonely baby  
I get so lonely baby  
I get so lonely, I could die

Oh since my baby left me  
I've found a new place to dwell  
Down at the end on a lonely street  
That Heartbreak Hotel

And I get so lonely baby

I get so lonely baby  
I get so lonely, I could die  
And I get so lonely, I could die
