If the dawn comes tomorrow and I'm sure that it is true
Then I'll keep on loving you
And if the stars stay in heaven and the moon stays in
the blue
Then I'll keep on loving you

But what if things change, the sky should fall
Dawn wouldn't come, the world would stall
I wouldn't care as long as you're near
It wouldn't matter to me at all

If the stars stay in heaven and the moon stays in the
blue
Then I'll keep on loving you

And if the dawn comes tomorrow, as I'm sure it's
bound to do
Then I'll keep on loving you
And if the stars stay in heaven and I know that it is true
Then I'll keep on loving you

What if things change, the sky should fall
Dawn wouldn't come, the world would stall
I wouldn't care as long as you're near
It wouldn't matter to me at all

And if the stars stay in heaven and the moon stays in
the blue
Then I'll keep on loving you

Then I'll keep on loving you
