It ain't nobody's business if I do

Some of these days I'm going crazy
I'm gonna buy me a shotgun and shoot my baby
But it ain't nobody's business
Ain't nobody's business if I do

And if I should take an ocean
Go down there and jump in that ocean
It ain't nobody's business
Ain't nobody's business if I do

You know Willie I can't if I choose
To walk down the street
With my light-bulb shoes
It ain't nobody's business if I do

Well, the Lord gave me my own mind to think
And how to choose what and
Just how much to drink
It ain't nobody's business if I do, if I do

One day I'll have chicken and dumplets
And the next day I ain't got nothing
But it ain't nobody's business
It ain't nobody's business if I do

And if I attend church on Sunday
And a cabarella all day, Monday
But it ain't nobody's business
It ain't nobody's business if I do

And if I stay out all night
Spend all my money, well, that's all right
'Cause it ain't nobody's business
Ain't nobody's business if I do

It ain't nobody's business
Ain't nobody's business if I do
