A lotta people won't get no supper tonight
A lotta people going to suffer tonight
'Cause the battle is getting hotter
In this iration, it's Armagideon

A lotta people won't get no justice tonight
So a lotta people going to have to stand up and fight
now
But remember to praise Jehovah
And He will guide you in this iration
It's Armagideon, yeah

Hey! A lotta people will be running and hiding tonight
Said a lotta one going run and hide tonight
'Cause it's your action, you must get your
fraction
In this iration, it's Armagideon

A lotta people won't get no supper tonight
Said a lotta one won't get no justice tonight
I say but remember to praise Jehovah
And He will guide you in Armagideon

A lotta people won't get no supper tonight
A lotta people going to suffer tonight

So a lotta people going to have to stand up and fight

Hey! A lotta people will be running and hiding tonight
Said a lotta one going run and hide tonight

A lotta people won't get no supper tonight
