And I'm a singing them songs of joy
And I'm a singing them songs of praise
And I'm a singing them songs of love
And I'm a chanting this one to the Most High
I'm a singin' oh
This yah one
To the saints of the Most High
I'm a singin' oh
This yah one
For the saints of the Most High

Those who never get
Their hands
Murder oh no
Those who never get
Their heart
Unpure
Those who never get
Their mind foggy foggy
Those who never get
Their lives carried away

I'm a singing oh
This yah one
For the saints of the Most High
I'm a singing oh
This yah one
For the saints of the Most High

Singing of joy
And I'm a singing of praise
And I'll be singing for ever
Singing always

Those who always be
Ready
Watching and praying
Those who always
Have Jah on their minds
Those who always
Give thanks and praises every day

Those who always
Keep up Jah word
Always gives thanks and praise

I'm a singing oh
This yah one
For the saints of the Most High
I'm a singing oh
This yah one
For the saints of the Most High

And I'm a singing them songs of joy
I'm always singing them songs of praise
Giving thanks and praises
And forever always

I'm a singing oh
This yah one
For the saints
For the saints of the earth
Over in America
Over in a England
Way over in a ?
Over in a Africa
And they shall
Carry the earth
Over in South Central
America all over
Eh ay
Always will be singing thanks
And praises to the Most High

I'm singin'
This yah one
To the saints of the Most High...
