I've been alone with you inside my mind  
And in my dreams I've kissed your lips thousand times  
I sometimes see you pass outside my door,  
Hello  
Is it me your looking for?  
I can see in your eyes  
I can see in your smile  
You are that leave one did and my arms are open wide  
Cause you know just what you say  
And you know just what you do  
And I want to tell you so much,  
I love you

I long to see the sunlight in your hair  
And tell you time and time again much I care  
Sometimes I feel my hurt will overflow,  
Hello,  
I just guard to let you go  
Cause I want the way you are  
And I want what you do  
Are you somewhere feeling lonely  
Or is someone loving you  
Tell me how to way in your hurt  
For I haven't got to Cloe  
But let me start by saying  
I love you

Hello,  
Is it me your looking for?  
Cause I want the way you are  
And I want what you do  
Are you somewhere feeling lonely  
Or is someone loving you girl  
Tell me how to way in your hurt  
For I haven't got to Cloe  
But let me start by saying  
I LOVE YOU
