"Oxygen"

Visit "[Oxygen](#)" on MotoLyrics.com

I wanna be better than oxygen
So you can breathe when you're drowning and weak in
the knees
I wanna speak louder than Ritalin
For all the children who think that they've got a disease
I wanna be cooler than t.v.
For all the kids that are wondering what they are going
to be
We can be stronger than bombs
If you're singing along and you know that you really
believe
We can be richer than industry
As long as we know that there's things that we don't
really need
We can speak louder than ignorance
Cause we speak in silence every time our eyes meet.

On and on, and on, and on it goes
The world it just keeps spinning
Until I'm dizzy, time to breathe
So close my eyes and start again anew.

I wanna see through all the lies of society
To the reality, happiness is at stake
I wanna hold up my head with dignity
Proud of a life where to give means more than to take
I wan't to live beyond the modern mentality
Where paper is all that you're really taught to create
Do you remember the forgotten america?
Justice, equality, freedom to every race?
Just need to get past all the lies and hypocrisy
Make up an heir to the truth behind every face
That look around to all the people you see,
How many of them are happy and free?
I know it sounds like a dream
But it's the only thing that can get me to sleep at night
I know it's hard to believe
But it's easy to see that something here isn't right
I know the future looks dark
But it's there that the kids of today must carry the light.

On and on, and on, and on it goes
The world it just keeps spinning
Until I'm dizzy, time to breathe
So close my eyes and start again anew.

If I'm afraid to catch a dream
I weave your baskets and I'll float them down the river
stream
Each one I weave with words I speak to carry love to
your relief.

I wanna be better than oxygen
So you can breathe when you're drowning and weak in
the knees
I wanna speak louder than Ritalin
For all the children who think that they've got a disease
I wanna be cooler than t.v.
For all the kids that are wondering what they are going
to be
We can be stronger than bombs
If you're singing along and you know that you really
believe
We can be richer than industry
As long as we know that there's things that we don't
really need
We can speak louder than ignorance
Cause we speak in silence every time our eyes meet.

On and on, and on, and on it goes
The world it just keeps spinning
Until I'm dizzy, time to breathe
So close my eyes and start again anew
