Visit "[Girls Like You](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Girls like you are a dime a dozen  
They come after me, when I do nothin'  
But I need someone to get steady with your playin hard  
to get  
Sticks and stones can break my bones but your  
breaking my heart into infinite pieces  
Sticks and stones can break my bones but your  
breaking my heart into infinite pieces  
Oh yeah

You don't know how long I've waited for this  
They say you know what you love by the first kiss  
Oh I hope this, hope this is true cuz a guy like me  
doesn't always get a girl like you  
Just like you

Sticks and stones can break my bones but your  
breaking my heart into infinite pieces  
Sticks and stones can break my bones but your  
breaking my heart into infinite pieces  
Oh yeah

I've been waiting  
I've been waiting  
I've been waiting  
For so long..

I've been waiting  
I've been waiting  
I've been waiting  
For so long..

I've been waiting  
I've been waiting  
I've been waiting  
For so long..

I've been waiting  
I've been waiting  
I've been waiting  
For so long!

Sticks and stones can break my bones but you've  
broken my heart into infinite pieces  
Sticks and stones can break my bones but you've  
broken my heart into infinite pieces  
Again!

(Sticks and stones) Infinite pieces again  
(Sticks and stones) Infinite pieces  
(Sticks and stones) Infinite pieces again  
(Sticks and stones) You've broken my heart
