Just as much as ever I need you and want you to be
near
Just as much as ever I love you and always will my dear
Even though we two are parted my feelings for you've
never dropped
For loving you is something I've started and don't know
how to stop

Just as much as ever I'm hoping that you'll be mine
again
Darling cause I'll never be satisfied till then
For I am still the same old me with the same old love
for you
Just as much as ever my heart beats for you

(Just as much as ever I'm hoping that you'll be mine
again)
Darling cause I'll never be satisfied till then
For I am still the same old me...
(Just as much as ever)
