"Making Plans"

You say tomorrow you're going it's so hard for me to
believe
I'm making plans for the heartaches cause you're
making plans to leave

The tears for me will be falling like a tree shedding it's
leaves
I'm making plans for the teardrops cause you're
making plans to leave

You're making plans to forget me I'm making plans to
miss you
I'm getting ready to grieve
I'm making plans to be lonesome cause you're making
plans to leave
I'm making plans to be lonesome cause you're making
plans to leave
