Oh it's been such a long long time looks like I'd get you
off my mind
Oh but I can't for just the thought of you turns my whole
world a misty blue

Just the mention of your name turns the flicker to a
flame
I think of things that we used to do then my whole world
turns misty blue

I should forget you heaven knows I've tried
But when I say I'm glad we're through my heart knows
that I lie
It's been such a long long time...
Just the very thought of you turns my whole world a
misty blue
